We did that and cannot find any Sage 50 software on the computer. I am looking for advice on how to get back to the Premier Accounting. Feb 20, 2019 My Sage 50 (2013) is now giving me problems at my new company. How do I get my 2016 Sage 50 (On Premise) and Back office (from my old company to my new company? Can I send it to a friend's computer and make sure that it will work for me? Feb 20, 2019 I am trying to make SAGE 50 2013 work again so I can get my financials from old company. I have tried some instructions online but it does not seem to work. I am using Windows 10. I have a second version of Sage 50 on my work computer and I have tried to reinstall it, I have tried to update the program, nothing is working. The message I get is something about the database is not valid. I have also tried to put all data in version 2013 from back office. And try to change some things in the connection settings, but it still does not work. Any suggestions would be greatly appreciated. Thank you. Feb 20, 2019 I have a new computer, but I don't have access to the old computer. I have a back up of the windows folder. How can I move all the files, programs
