The VAIO VN-SF321 is a Verizon and AT&T brand in the US.Q: iPhone - strange WebView behavior I'm trying to add a WebView to my iPhone app, but while clicking links in the WebView, for some reason the link opens it's document itself, and not in my app. Is there something I can do to disable this? My code to add the WebView, look like this: `UIWebView *myWebView = [[UIWebView alloc] initWithFrame:[UIScreen mainScreen] applicationFrame]; [myWebView setFrame:CGRectMake(0,0,320,460)]; [self.view addSubview:myWebView]; [myWebView loadRequest:[NSURLRequest requestWithURL:[NSURL URLWithString:MYURL]]]; [myWebView loadHTMLString:MYHTMLString baseURL:nil];` A: are you using the UIWebView in the main application window? does it go offscreen for some reason? i think you need to use the `loadHTMLStringInContext:` method instead of `loadHTMLString:baseURL:`. dehradun Updated: Jul 20, 2015 14:16 IST Shourie's latest book, "Capitalism, Competition and Democracy" will be released in Delhi on October 13. The book is a collection of writings of eminent economist Arvind Panagariya, which will make Manishtosh Jindal, Vice-Chairman and Managing Director of the Indian Oil Corporation, the protagonist of the book. "Jindal is not just the richest man of India, but also the father of the nation," Shourie said while releasing the book here. "On January 17, we can celebrate the birth of India's 'Father of Nation' Manishtosh Jindal. The book also features his ideas," he said in the same vein. The book is being released at a time when the country is facing severe drought conditions and
